Sharing in Worship

Sharing As Part of The Worship Experience

So – You're sharing!

We look forward to what you have to say. In order to create an atmosphere of worship and openness to what is said, we have created a list of suggestions to help you prepare.

- ✓ Please limit your talk to 130 words. This is about two minutes in length.
- ✓ Write out your sharing. Focus on the most important information first. **Sharers are required to submit a written sharing by Monday of the week of the worship service.** The Church Staff may suggest changes or deny the sharing. Send or bring it to the church to the attention of Robert Morehead. You may also email your sharing to robert@pleasanthillschurch.com. Unsubmitted sharings may be canceled.
- ✓ Avoid long lists of activities, projects or names.
- ✓ Avoid statements like: “I’ve been asked to share...” or “I’m not used to doing this...” or even worse, “I’ve got one minute to tell you about...” Instead, **focus on how what you are sharing is important to them.**
- ✓ Portray enthusiasm for your topic. Please be sensitive to the congregation as worshipers and seek to uplift them and encourage them. Our concentration tends to wander when we hear a long list. Instead, focus on 2 or 3 highlights that portray the spirit of what you experienced or show the importance of the program in the life of the congregation
- ✓ Please show up at 9 AM (before the first service) so you know where your sharing spot comes in the order and to join the prayer group in the Board Room.
- ✓ Relax! People like to hear about the experiences of others and will enjoy meeting you and learning about your involvement in the church.
